

Consent for medical attention

I give authority for my child's teacher to take the necessary steps to ensure that my child receives the care needed in any emergency. I also understand that I would be contacted immediately when any care is required. If a staff member from Early Discoveries needs to summon an ambulance, then I will be responsible for the cost incurred. As well, I understand that if my child has a diagnosed allergy/medical condition requiring medication, I will provide the prescribed medication to the school to be kept at the school. If I choose to bring the medication back and forth, I am aware that my child cannot attend if I forget the medication.

The Alberta regulations require that each school be aware of whether a child is immunized or not.

_____ My child's immunization is up to date as of _____ (today's date)

_____ My child has not been immunized for the following and/or not at all:

We only ask about immunization records in case an outbreak occurs in the class/school. Then, we can notify families whose children are not immunized.

Consent for Field Trips

I hereby give permission for my child to participate in all the day to day school activities such as nature walks, trips to the park and outside snack and story times. I authorize the preschool/Kindergarten to include my child in all field trips planned for the school year. If I object to any trips then I will keep my child home on that day. It is my understanding that the teacher will inform me of any class trips other than short walking trips, and I will be required to sign a permission slip to show my agreement with the plans.
