

COVID-19 UPDATE – March 19, 2020

For all of our current families and new and returning families, we wanted to provide an update on our situation.

As you know, schools are closed for an indefinite period of time. Although we are hoping for school to resume for the remainder of this school year (April, May, June), we are not certain that this will happen. As current parents have already been notified, we are not charging fees for the month of April. As well, if the government decides that, in fact, schools will remain closed to the end of June, we will be refunding 25% of March's fees as well as refunding those families who prepaid for June 2020. As mentioned in a letter sent home, for returning families, we would like to apply your credit to next year's fees.

For families wanting a space at our preschools or Kindergarten for the 2020 – 2021 school year, we still have spaces available at all of our locations. You can contact us at 403-239-3444 or 403-239-2444. As well, you can email us at brenda.edns@shaw.ca. We will not be in the office on a regular basis. However, we can access our phone messages and emails remotely to answer any questions you may have.

For families who have received registration packages, you can scan and email them to us at the above email address. Or, you can still mail your forms to us at:
