

Registration for 2021 – 2022

Good news everyone! Our preschool and Kindergarten registration will now be taking place online! We will have a link on our website on every page that says, “Register Now”. Click on this link to fill out your preference for next year. You will receive an automated reply that we have received your email. A follow-up email will be sent to you which includes the registration form and banking information all on one form! Below are the dates registration will take place:

December 7 – 31: Current families

Families with children currently enrolled in our program can register for September 2021 for both preschool and Kindergarten. As we did at our in-person registrations, it is on a first-come, first-served basis, so register early! The registration fee and one month’s fee are being withdrawn on January 15th, 2021.

January 1 – 17, 2021: Alumni families

Families who do not currently have a child registered in one of our programs, but who have had children with us in previous years, can register for both preschool and Kindergarten. The registration fee and one month’s fee are being withdrawn on February 10th, 2021.
